"Palazzo Santo Stefano"

In Fontana Liri Superiore, in the magnificent ancient village of Piazza Santo Stefano where the great Nino Manfredi starred in the film "For grace received", we are selling a period building with a garden/land of over 5,000 m2, partly an olive grove.

The building, which is on 3 levels, needs to be completely renovated, but retains the charm and richness of the seventeenth century works with important details such as frescoes and stone walls of the time.

The overall surface area of the building is over 800 m2.

The building is well suited for housing and/or tourist accommodation.
