"Casa Annalisa"

In Via Argo, a quiet and delightful residential area of Terracina, about 250 meters from the sea, we sell a nice apartment built around the 70s of about 90 square meters with private covered parking.

The house is located on the second floor and enjoys a panoramic view as it is located in a strategic position and is very suitable for both beach lovers and lovers of the historic center.

To access the property you pass through a characteristic staircase with retro-style windows for condominium use.

The property consists of a large entrance hall, a large living room with fireplace and terrace, a kitchen, two bedrooms with attached balconies and a bathroom.

The property includes a private covered parking space and a small condominium deposit.

The heating system is autonomous; aluminum frames; the roof is in good condition.

Ideal for those who love to spend seaside holidays in one of the most famous locations on the Coast of Ulysses, a few steps from San Felice Circeo and halfway between Rome and Naples.
