"Casale Ferazzoli"

In Monte San Giovanni Campano, in one of the most characteristic views of Ciociaria, among centuries-old olive groves we sell a very large farmhouse with olive grove and surrounding land.

The farmhouse consists of two levels: on the ground floor there is a large kitchen with fireplace, living room, two bathrooms, study room and utility room while on the first floor there are two bedrooms, a bathroom and a large panoramic terrace of about 80 square meters.

The surrounding land is about 3,500 square meters with an olive grove of about 90 productive plants.

The property has a large garage and a characteristic grotto in the lower part of the road.

The property is equipped with all services and is in good condition.

Ideal for lovers of naturalistic landscapes with panoramic views.
