"Elia House"

In Colfelice, immersed in the green countryside of Ciociaria and more precisely in Via Conti, we offer for sale a farmhouse arranged entirely on one level.

The property consists of a kitchen, living room, two bedrooms and a bathroom.

The farmhouse requires some renovations.

The property includes various accessories such as cellars-warehouses-warehouses, two wells with spring water as well as an agricultural land of over 10,000 square meters.

This solution is suitable for lovers of nature and unchallenged silence, a stone's throw from every service.
