"Bar 141"

In Cassino, in the center, on the main street, a street full of shops and various businesses, we offer for sale a very well established commercial activity for bar use.

The location, with double entrance, both on Corso della Repubblica and on Piazza Labriola, guarantees the bar a traffic of important customers throughout the day and throughout the week.

The bar, about 50 square meters, has a large window overlooking the Corso and offers a total of about 80 outdoor seats, of which about 50 on the Corso della Repubblica side and about 30 on the Piazza Labriola side.

The counter is about 6 meters long and is equipped with an oven, a yoghurt machine, a Cimbali coffee machine and a space dedicated to the sale of alcohol.

The restaurant has a large renovated bathroom and a closet used as a food pantry. Internally the capacity is about 25 seats and the style is modern with sober colors.

The business enjoys excellent monthly receipts and is perfect as an investment.
