Commercial space for sale in Priverno.

In the heart of the town, on via Giacomo Matteotti, the so-called promenade with belvedere, we offer for sale a commercial space C/1 with an independent entrance on the street on the ground floor, of about 100 square meters with a mezzanine.

The property currently does not have an internal commercial activity, it is empty, consisting of a single room with stone floor of over 80 square meters with service and storage area, staircase leading to the mezzanine where there was a 20 sq m.

When it was in an operating room, it was one of Priverno's most historic businesses in the electronic sector.

The location is very good, close to all city services and various public car parks.

Excellent as an investment use to make income.
