"2Elle Optics"

In Arpino (FR), in the historic center, on one of the main arteries and more precisely in Corso Tulliano, we offer for sale an interesting commercial activity specialized in the sale of optical products and services.

The strategic position makes it an easily accessible destination for residents of the area and visitors.

With a wide selection of eyeglasses, sunglasses and contact lenses, Zelle Optics offers customized solutions for customers of all age groups.

This business boasts a solid reputation in the local community thanks to its 40 years of experience in the sector and the high quality of the products offered, ensuring a stable and ever-growing customer base.

Knowing the importance of the style and aesthetics of glasses, the business offers a wide range of models from the best brands and designers, ensuring a wide choice for every taste and personality.

In addition to selling glasses, Ottica Zelle also offers vision control, intraocular pressure measurement and contact lens fitting services.

There are cutting-edge tools to ensure accurate diagnosis and precise management of prescriptions.

The store is located in a welcoming and modern environment, with an inviting atmosphere and a well-organised display space, with two street-facing windows, allowing customers to explore the different options available with ease.

Loyal customers are a real strong point of this business.

Now, Zelle Optics represents an extraordinary opportunity for anyone interested in entering a successful commercial business in the optical industry offering unparalleled growth potential.
